TERRE ROUGE® AND EASTON WINES

2018 TERRE ROUGE Viognier - Fiddletown (Estate)

Bottled in late June 2019 our 2018 Viognier is organically-grown on our Fiddletown estate in granitic soils. Zesty fresh, floral, and spicy aromatics with fruit notes that suggest classic white peach and apricot flavors. This will be a perfect glass pour wine with its lively flavors. Bottled with a screw-cap closure for easy accessibility.

The grapes were harvested on September 30th (same as 2017), which was a week later than in 2016. We harvested at 24.5 brix, whole-cluster pressed to tank; fermented to dry in stainless and then transferred to a set of older French oak barrels with a couple special new barrels that are coopered in Condrieu thrown in the mix. Lees stirring, malolactic fermentation, and no racking off of primary lees are all techniques employed prior to bottling.

14.5% alc. by vol.; 3.45 pH; 5.8 gm./liter total acidity

Suggested Retail: \$25 a bottle

Release Date: June 2021
