2006 Terre Rouge Tête-à-Tête, Sierra Foothills

Tête-à-Tête is our fun easy drinking *assemblage* of Mediterranean varietals (in 2006 - its 46% Syrah, 38% Mourvèdre & 16% Grenache). We blend it with current drinkability in mind, for drinking both at home and as a restaurant pour. We generally put it together from our younger vines and our more forward tasting barrel lots. 2006 was a year where most of our Rhône varietal lots excelled. It was a later harvest pushed back by a cool Spring with a late bud break and produced very aromatic fruit. Therefore this wine drinks like better than most Côtes-du-Rhône Villages bottlings: sappy, spicy, fabulous flavor, and great texture. It is an eminently enjoyable everyday bottle. The 2006 has a deep boysenberry fruit suggestions, smoky/meaty/gamey complex flavor components that emphasize our *terroir*, and a lengthy creamy texture. Aged for 16 months in a mixture of French barrels. This is a great California wine value !
