TERRE ROUGE® AND EASTON WINES

## **2008 EASTON “H” Red, California**

House or “H” is our new fun, easy drinking everyday red table wine composed of 75% Syrah and 25% Cabernet Sauvignon. Like many of the New Wave wines of the Languedoc region in Southern France, it is made from these two great grape varieties. House Red is what we like to sip for lunch or for any informal meal. It is also a café wine, a picnic wine, a boating wine, a skiing wine, a wine to enjoy when you want a delicious glass of red wine, but you don’t want to think too much about it. House complements most Mediterranean and Californian cooking. Always have a bottle or two around to quench your desire for a good glass of red after work, when other beverages just won’t do the trick!

Please check it out! Come on over to our House! The 2008 vintage is packaged in our new printed box!

13.5% alc. by volume; 3.68 pH; 6.0 grams per liter total acidity
