### 2008 Terre Rouge Tête-à-Tête, Sierra Foothills

Tête-à-Tête is our fun easy drinking *assemblage* of Mediterranean varietals (in 2008 - its 36% Mourvèdre, 32% Grenache & 32% Syrah). We blend it with current drinkability in mind, for drinking both at home and as a restaurant pour. We generally put it together from our younger vines and our more forward tasting barrel lots. 2008 was a year where most of our Rhône varietal lots had great concentration. It was a earlier harvest pushed forward by a cool Spring with a poor bud break, small yields, and produced wonderful, flavorful, intense fruit. Therefore this wine drinks like wines from great, ripe, Côtes-du-Rhône vintages: sappy, spicy, mouth-filling, and with great texture. It is an eminently enjoyable everyday bottle. The 2008 has a deep boysenberry fruit suggestions, smoky/meaty/gamey complex flavor components that emphasize our *terroir*, and a lengthy creamy texture. Aged for 16 months in a mixture of French barrels. This is a great California wine value!

14.5% alcohol by vol.; 3.65 pH; 6.2 gm./liter total acidity
