TERRE ROUGE® AND EASTON WINES

## **2010 EASTON “H” Rosé - California**

House or “H” Rosé is our new fun, easy drinking everyday rosé table wine composed of 88% Grenache, 8% Mourvèdre, and 4% Roussanne. Like many of the New Wave rosé wines of the Languedoc region in Southern France, it is made from these great Rhône grape varieties. House Rosé is what we like to sip for lunch, or on a warm afternoon, and with any informal meal. It is also a café wine, a picnic wine, a boating wine, a skiing wine, a wine to enjoy when you want a delicious glass of wine, but you don't want to think too much about it. House complements most Mediterranean and Californian cooking and it works well with other rosé friendly foods. Have a bottle ready in the fridge to relax with after work, when other beverages just won't do the trick!

The wine is fresh, zippy, and completely fermented in stainless steel. This 2010 vintage is packaged in a screw-cap bottle in our new rosé-colored printed box!

13.5% alc. by volume; 3.42 pH; 5.8 grams per liter total acidity  
Bottled: March 1, 2011
