

Domaine de la Terre Rouge

TERRE ROUGE® AND EASTON WINES

2013 TERRE ROUGE Garrigue - California

Domaine de la Terre Rouge specializes in wines made from Rhône Valley varietals. For this wine we were inspired the wines that originate a bit further South along the coastal Mediterranean where vineyards grown along side the *garrigue* or the local chaparral. Our vines grow in a similar environment, surrounded by manzanita, pine, toyon, yerba santa, and chamise. This is a blend of two-third's Syrah and one-third Cabernet Sauvignon that is complex and savory, while still being accessible now. It is modestly-priced and eminently quaffable.

13.5% alcohol by vol.; 3.60 pH; 6.0 gm. per liter total acidity

Release Date: June 2015

Suggested Retail Price: \$20
