### 2015 Terre Rouge Tête-à-Tête, Sierra Foothills

Tête-à-Tête is our fun easy drinking *assemblage* of Mediterranean varietals (in 2015 - it's 39% Grenache, 39% Mourvèdre & 22% Syrah,). We blend it with current drinkability in mind, for drinking both at home and as a restaurant pour. We generally put it together from our younger vines and our more forward tasting barrel lots. 2015 was a year where most of our Rhône varietal lots had brightness and ripe fruit. For us, it was more of an average growing season, but this was the third year of a three year drought. The fruit developed nicely all summer, with no surprises, and we received good flavor development. This wine drinks like wines from solid Côtes-du-Rhône-Villages vintage: sappy, spicy, mouth-filling, and nuanced. It is an eminently enjoyable everyday bottle. This 2015 has our typically deep boysenberry fruit aromatics, with smoky/meaty/gamey complex flavor components that emphasize our *terroir*, and a lengthy creamy texture. Aged for 16 months in a mixture of French barrels. This is a great California wine value !

A Tête-à-Tête is a private intimate conversation between two people (literally head to head).
